

Camp Constitution What You Should Know

What You Need To Know About Camp

We have a range of camp activities plus one or more field trips planned each year. During recreation time, our head counselor and a lifeguard are usually down at the lake, so students may swim or use camp watercraft, or simply choose to enjoy the beauty, sketch, write, or observe local plant or animal life. Meanwhile, our recreation director and other counselors will organize team sports, chess tournaments, tug-o-war or other camp experiences. Classes taught by experienced guest speakers cover many historical and timely topics to give students a better perspective on world events in the context of our nation's founding.

Today we are reaping the consequences of America's drift from her original moorings. Our discussions of America's founding and early success are very much in order as we seek to restore the blessings of liberty to our land under our Constitution.

Spending Money For Each Camper

While meals, lodging, classroom materials and most recreational costs are covered by the tuition fee, we recommend that regular campers bring at least \$50.00* to give them the option to purchase things such as a camp group photo, special admissions on certain field trips, souvenirs from historical sites, postcards, . . . etc.

*Educational materials will be available to campers from some of our authors and speakers. Camp Constitution will host its own book table as well, where materials, DVDs, or T-shirts are available for sale. Snack items are sold from time to time and pizza orders will be taken for our post-graduation party on the final night of camp.

Check-In

Camp Check-in begins the first day of camp from 2:00 PM – 5:30 PM. Name Tags, welcome materials, lodging assignments, medical release forms, registration forms etc. will be processed at check in. Pre-submit all paperwork to streamline this process.

Medications

Camp has a doctor or nurse on duty through the week. Any meds needed for a camper must be given to and discussed with doctor/nurse at check-in.

Check-Out

The final day of camp from 10:00 AM–11:00 AM.

Waterfront / Pool Activities (when Available)

All water activities require the presence of a lifeguard and the use of such facilities are restricted when the lifeguard is off-duty. Campers are discouraged from using these facilities alone. A buddy system is encouraged for your safety. Camp Constitution is always interested in knowing if you have lifeguard training or other such skills.

Registration Process

Register for camp by pointing your web browser to <http://campconstitution.net/camp-registration/> and download the Registration Form. Page 1 of the 2 page form is the camper profile section. You need to provide a profile for each camper that will be attending. So fill out page one for every attendee. Use Page two to calculate the cost of your party's stay and to make payments.
